We strive to provide as much as possible as part of the packages with The Kinmel hotel - Larger and more elaborate centrepieces will incur an upgrade cost to cover the time required to make and the cost required to produce. We can create anything and everything at Cinderella Events - If you have seen a particular photo online you would like us to recreate, please contact us and we will provide you with a quotation.

Lots of new trends are always upcoming in the Wedding Industry - Any new stock coming soon will be announced on our Facebook page!
